<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Kentucky Power shall make timely amendment to any prior response if Kentucky Power obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Kentucky Power fails or refuses to furnish all or part of the requested information, Kentucky Power shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Kentucky Power shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. For each year beginning in 2020, provide a table for all named executives of Kentucky Power that details the individual's total compensation.

a. As part of the response provide a full explanation of how the total compensation is calculated, including, but not limited to, the individual's salary, bonus, stock awards, non-equity incentive plan compensation, and all other compensation.

b. Additionally, detail what percentage of the individual's total compensation is performance based and how any performance-based compensation is determined, including but not limited to any board-approved earnings per share measure, total shareholder return measure, and/or a carbon free capacity mix measure.

2. For each year beginning in 2020, provide a table for all named executives of American Electric Power Company that details the individual's total compensation.

a. As part of the response provide a full explanation of how the total compensation is calculated, including but not limited to the individual's salary, bonus, stock awards, non-equity incentive plan compensation, and all other compensation.
