

representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Bullock Pen District shall make timely amendment to any prior response if Bullock Pen District obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Bullock Pen District fails or refuses to furnish all or part of the requested information, Bullock Pen District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Bullock Pen District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

A copy of this request shall be served on the Belden Craig Gaines by U.S. certified mail, return receipt requested at 5005 Warsaw Road, Dry Ridge, Kentucky 41035.

1. Refer to Bullock Pen District's Response to Commission Staff's First Request for Information (Staff's First Request), Item 5b. Explain whether the manual reading of Mr. Gaines' meter required Bullock Pen District to physically access the unusually deep meter. If so, explain how Bullock Pen District accessed the meter.

2. Identify the portion of Bullock Pen District's Tariff P.S.C. Ky No. 1, 1st Revised Sheet No. 30, pursuant to which Mr. Gaines was offered a water bill adjustment. Explain how the leak in this instance fits under said portion of the tariff.

3. Refer to Bullock Pen District's Response to Staff's First Request, Item 4. Provide the exact location of the leak discovered on June 26, 2024. Explain what steps were taken to address this leak.
