ORDER

On October 4, 2024, Kentucky Municipal Energy Agency (Kentucky Municipal Energy) filed an application seeking a Construction Certificate, pursuant to KRS 278.706, to construct an approximately 75-megawatt merchant electric solar facility in Madisonville, Hopkins County, Kentucky. The Siting Board established a procedural schedule by Order dated October 22, 2024.

Subsequently, the site visit for this project was scheduled for December 5, 2024. In order to allow the Siting Board's consultant sufficient time to review Kentucky Municipal Energy's responses to Siting Board Staff's First Request for Information prior to the site visit, the Siting Board, on its own motion, finds that the procedural schedule established on October 22, 2024, should be amended.

IT IS THEREFORE ORDERED that:

1. The procedural schedule established on October 22, 2024, is amended.

2. Siting Board Staff's First Requests for Information shall be filed no later than November 22, 2024.

3. Kentucky Municipal Energy shall respond by December 2, 2024, to Siting Board Staff's First Request for Information.

4. All provisions of the Siting Board's October 22, 2024 Order that are in conflict with the provisions of this Order are vacated, and all other provisions not in conflict with the provisions of this Order shall remain in effect.
