ORDER

On October 18, 2024, Louisville Gas & Electric Company (LG&E) and Kentucky Utilities Company (KU) (jointly, LG&E/KU), filed with the Commission its 2024 Integrated Resource Plan (IRP). The Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate Intervention (Attorney General), Louisville/Jefferson County Metro Government (Louisville Metro), Sierra Club, Southern Renewable Energy Association (SREA), Kentucky Industrial Utilities Customers (KIUC), and Kentucky Coal Association, Inc. (KCA) were permitted to intervene in this matter pursuant to 807 KAR 5:001. Metropolitan Housing Coalition, Kentuckians for the Commonwealth, Kentucky Solar Energy Society, and Mountain Association (collectively, Joint Intervenors), who are represented by the same counsel, were permitted to jointly intervene in this matter.

On October 30, 2024, an Order was entered establishing a procedural schedule for the orderly review of LG&E/KU's 2024 IRP. The procedural schedule allowed for two rounds of requests for information to LG&E/KU and an opportunity for intervenors to file written comments regarding the IRP. A hearing was conducted in this matter on May 13, 2025, and May 14, 2025, and all parties were permitted to file post hearing comments.

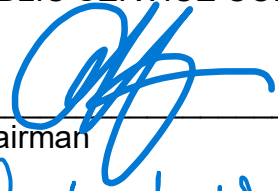

By Order issued on July 31, 2025, the Commission entered into the record of this case a report summarizing Commission Staff's review (Staff Report) of LG&E/KU's 2024 IRP. On August 22, 2025, pursuant to a post-hearing procedural schedule, LG&E/KU, the Attorney General, KIUC, SREA, KCA, and Joint Intervenors filed simultaneous comments regarding the Staff Report.

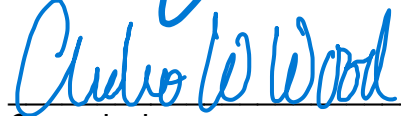

Based on the evidence of record and being sufficiently advised, the Commission finds that all substantive actions in this case have been completed, and this case shall be closed and that LG&E/KU's next IRP shall be filed on or before October 19, 2027.

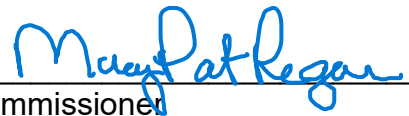

IT IS THEREFORE ORDERED that:

1. LG&E/KU shall file its next IRP no later than October 19, 2027.
2. This case is closed and removed from the Commission's docket.
