

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS ADJUSTMENT)	CASE NO.
FILING OF COLUMBIA GAS OF KENTUCKY,)	2024-00341
INC.)	

ORDER

On October 25, 2024, Columbia Gas of Kentucky, Inc. (Columbia Kentucky) filed its proposed Gas Cost Adjustment (GCA) report to be effective November 26, 2024. Columbia Kentucky's previous GCA rate was approved in Case No. 2024-00245.¹

LEGAL STANDARD

The Commission's standard of review for GCA rates is well settled as stated in KRS 278.274(1):

In determining whether proposed natural gas utility rates are just and reasonable, the commission shall review the utility's gas purchasing practices. The commission may disallow any costs or rates which are deemed to result from imprudent purchasing practices on the part of the utility.

Further, the utility has the burden to prove the rates are just and reasonable and the Commission may reduce the purchased gas component of the utility's rates, or the rates charged by an affiliated company to the extent the amount is deemed to be unjust or unreasonable.²

¹ Case No. 2024-00245, *Electronic Purchased Gas Adjustment Filing of Columbia Gas of Kentucky, Inc.* (Ky. PSC Aug. 19, 2024).

² KRS 278.274(2); KRS 278.274(3)(c); and KRS 278.274(3)(d).

DISCUSSION

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that Columbia Kentucky's report includes revised rates designed to pass on to its customers its expected changes in gas costs. Columbia Kentucky's report sets out an Expected Gas Cost (EGC) of \$5.5175 per Mcf, which is an increase of \$1.3721 per Mcf from its previous EGC of \$4.1454 per Mcf. Columbia Kentucky's report sets out a rate for Banking and Balancing Service of \$0.0369 per Mcf. Columbia Kentucky's report sets out a total supplier Refund Adjustment (RA) of \$0.0000 per Mcf. Columbia Kentucky's report sets out a current quarter Actual Cost Adjustment (ACA) of \$0.2753 per Mcf. Columbia Kentucky's total ACA is (\$0.9977) per Mcf, which is an increase of \$0.1575 per Mcf from its previous total ACA of (\$1.1552) per Mcf. Columbia Kentucky's report sets out a Balancing Adjustment (BA) of (\$0.1372) per Mcf, which is an increase of \$0.2829 per Mcf from its previous BA of (\$0.4201) per Mcf. Columbia Kentucky's report set out no Special Agency Service (SAS) refund adjustment. Columbia Kentucky's report sets out a Performance-Based Rate (PBR) Adjustment of \$0.4080 per Mcf, which is unchanged from its previous PBR of \$0.4080 per Mcf.

Based on the calculations above, the Commission finds that Columbia Kentucky's GCA is \$4.7906 per Mcf, which is an increase of \$1.8125 per Mcf from its previous GCA of \$2.9781 per Mcf. The Commission further finds that the rates as proposed by Columbia Kentucky and set forth in the Appendix to this Order are fair, just and reasonable and should be approved for billing with the final meter readings beginning on and after November 26, 2024.

For the purpose of transparency and to maintain a record of information for future use, the Commission finds that Columbia Kentucky should submit all invoices it receives along with its monthly usage report for each month of the reporting period when it files its future GCA rate reports. As ordered by the Commission in Case No. 2018-00150,³ Columbia Kentucky's future GCA reports should include an electronic version containing supporting calculations in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible. Should Columbia Kentucky purchase sustainable natural gas from a renewable source during the reporting period of any future GCA reports then the supplier, cost, and amount must be documented in its cover letter to the Commission.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Columbia Kentucky and set forth in the Appendix to this Order are approved for billing with the final meter readings beginning on and after November 26, 2024.
2. Columbia Kentucky shall submit all invoices it receives along with its monthly usage reports for each month of the reporting period when it files its future GCA rate reports.
3. Columbia Kentucky's future GCA reports shall include an electronic version containing supporting calculations in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.

³ Case No. 2018-00150, *Electronic Purchased Gas Adjustment Filing of Columbia Gas of Kentucky, Inc.* (Ky. PSC May 16, 2018), Order at 2.

4. Within 20 days of the date of service of this Order, Columbia Kentucky shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff sheets setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

5. This case is closed and removed from the Commission's docket.
