Utility Name: 2024-00010 Morgan co. Water district

State the nature of your concern: In regards to the rate case. It was mentioned in the hearing about all the vehicles that they have leased except for the 2 new Dodge trucks. Mr Wells and Shannon Elam forgot to disclose that. Also The PSC should probably dig deeper into the \$6000 that was donated to the country club for a golf tournament. Then there's the matter of a utility trailer that Shannon Elam sold that belonged to the water company.

Have you contacted the utility about the problem: No
