Comments: I am opposed to the location of this new cell tower because it would drastically change the landscape of Weatherwood Road. I am sure there are other locations that aren't so close to the road and so close to property owners that aren't benefiting from the money off the lease of the land where the cell tower is going. My parents live on Weatherwood Road and have lived there for over 50 years. I asked that the commission reconsidered this and look for other alternative locations.

Thank you.
