

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF OHIO COUNTY)	CASE NO.
WATER DISTRICT FOR A RATE ADJUSTMENT)	2024-00127
PURSUANT TO 807 KAR 5:076)	

ORDER

On May 1, 2024,¹ Ohio County Water District (Ohio District) filed its application with the Commission requesting an adjustment to its water rates pursuant to 807 KAR 5:076.

The Commission finds that a procedural schedule² should be established to ensure the orderly review of Ohio District's application. The procedural schedule is attached as Appendix A to this Order.

In addition, Ohio District shall file on or before the date set forth in the procedural schedule its responses to the Commission Staff's request for information, attached to this Order as Appendix B, and shall respond to any future requests for information propounded by Commission Staff by the date or dates set forth on any such requests.

¹ Ohio District tendered its application on April 26, 2024. By letter dated April 30, 2024, the Commission rejected the application for filing deficiencies. The deficiencies were subsequently cured, and the application is deemed filed on May 1, 2024.

² No action is necessary to suspend the effective date of Ohio District's proposed rates for service. Pursuant to 807 KAR 5:076, Section 7(1), an applicant who applies for a rate adjustment pursuant to the procedures set for in 807 KAR 5:076 may not place its proposed rates into effect until the Commission approves those rates or six months from the date of the filing of its application.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in Appendix A to this Order shall be followed.
2. On or before the date set forth in the procedural schedule, Ohio District shall file its responses to the Commission Staff's request for information, attached to this Order as Appendix B.
3. Ohio District shall respond to any additional requests for information propounded by Commission Staff as provided in those requests.
4. No later than the date set forth in the procedural schedule, Commission Staff shall file with the Commission and serve upon all parties of record a written report (Commission Staff's Report) containing its recommendations regarding Ohio District's requested rate adjustment.
5. No later than 14 days after the date of service of the Commission Staff's Report, each party of record shall file with the Commission:
 - a. Its written comments on and any objections to the findings contained in the Commission Staff's Report; and
 - b. Any additional evidence for the Commission to consider.
6. If Commission Staff recommends that Ohio District's financial condition supports a higher rate than Ohio District proposes or the assessment of an additional rate or charge not proposed in Ohio District's application, Ohio District in its response to the Commission Staff's Report shall also state its position in writing on whether the Commission should authorize the assessment of the higher rate or the additional rate or charge.

7. If Commission Staff recommends that changes should be made to the manner in which Ohio District accounts for the depreciation of Ohio District's assets, Ohio District in its response to the Commission Staff's Report shall also state its position in writing on whether the Commission should require Ohio District to implement the proposed change for accounting purposes.

8. A party's failure to file written objections to a recommendation contained in the Commission Staff's Report within 14 days after the date of the filing of the Commission Staff's Report shall be deemed a waiver of all objections to that finding.

9. If a party requests a hearing or informal conference, then the party shall make the request in its written comments and state the reason a hearing or informal conference is necessary.

10. A party's failure to request a hearing or informal conference in the party's written response shall be deemed a waiver of all rights to a hearing on the application and a request that the case stand submitted for decision.

11. A party's failure to file a written response within 14 days after the date of service of the Commission Staff's Report shall be deemed a waiver of all rights to a hearing on the application.

12. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to

intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented or the issues and facts the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of the utility consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

13. Any motion to intervene filed after the date established in the procedural schedule attached as Appendix A to this Order shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

14. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085³ regarding filings with the Commission.

³ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).
