I already did send in the supporting docs to the initial PSC rep I spoke to. I shouldn't have to send, resend and re-explain this situation like I am being asked to do yet again. I have no more time to dedicate to this process.

You all are a completely worthless bureaucracy and waste of my tax dollars. Just like most of everyone in the Ky government. Enjoy your pursuit of mediocrity. I got ripped off by MCWD and you all did nothing about it nor did you conduct a proper investigation into my complaint. Congratulations on conducting a completely meaningless process to trick yourselves into believing you did do something, or your job....
