Case No. 2024-00253

Application for Certificate of Construction

Clover Creek Solar Project LLC d/b/a New Frontiers Solar Park (the “Applicant” or “New Frontiers Solar Park”) files this application requesting from the Kentucky State Board on Electric Generation and Transmission Siting (the “Siting Board” or “Board”) a certificate of construction for an approximately 100-megawatt (MW) merchant electric solar generating facility and nonregulated electric transmission line pursuant to KRS 278.704 and 278.714 (the “Application”). The proposed generating facility and nonregulated transmission line will be located in Breckinridge County, Kentucky.

In support of the Application, the Applicant submits Exhibits A-J to assist the Board and interested persons in locating information required by the relevant statutes and regulations. The Applicant also submits herewith the Table of Contents required by 807 KAR 5:110 § 3(2)(b) and an Index of Regulation Requirements, which lists the requirements for a generation application and nonregulated transmission line application and the principal place(s) within the Application where those requirements are met. The facts on which the Application is based are contained in
