Dear Kentucky Public Service Commission,

As a County resident, I am writing you to share my strong support for the New Frontiers Solar Park. The project will help to build energy resiliency in Breckinridge County, create 250+ construction jobs, allocate \$35 million in payments to landowners, and improve local spending and annual community investment.

I urge you to vote in favor of the New Frontiers Solar Park. This is about building energy security for the county and preparing us for the future.

Thank you for helping Breckinridge County thrive by supporting the New Frontiers Solar Park.

Sincerely,

Ryn Jenkins

Dear Kentucky Public Service Commission,

I urge you to vote in favor of the New Frontiers Solar Park.

I teach high school science. Every year I have my students research topics on the effects of climate change. The facts have been convincing for a long time but now we are experiencing the effects. One of those effects is the increased variability and severity of weather on farming. The long term leases to the farmers is guaranteed money to them. It's like tobacco being a cash crop without doing any work. Let these farmers lease their land. Let Kentucky take a small step toward renewable energy so we aren't putting Carbon Dioxide into the air with our gas and coal fired power plants. Sincerely,

Ronald Broadwater

Dear Kentucky Public Service Commission,

As a Breckinridge County resident, I am writing you to share my strong support for the New Frontiers Solar Park.

The project will help to build energy resiliency in Breckinridge County, create 250+ construction jobs, allocate \$35 million in payments to landowners, and improve local spending and annual community investment. I urge you to vote in favor of the New Frontiers Solar Park. This is about building energy security for the county and preparing us for the future. Thank you for helping Breckinridge County thrive by supporting the New Frontiers Solar Park.

Sincerely,

Camille Norman,
