or facts that are the reason and basis for the complaint.)
Put up intollerable LED instead. Was told
this was a PSC decision. PSC mandated
LED only. PSC confirmed, in email, that
this is true

Burnett

vs. Salt River / PSC

I am simply hoping to effect a change to this policy. I hope to have the option of Sodium Vapor lighting made available once again. PSC informed me that I must file a formal complaint. My understanding is, this is the only way in which one may request a change in this policy.

Wherefore, complainant asks

Kentucky PSC

(Specifically state the relief desired.)

Allow home owners/business to have the option of Sodium Vapor outdoor lighting. We pay for it. We should have the option. Sodium Vapor is economical, effective, with a pleasant gold glow - as opposed to the harsh, glaring blue white light of the LED. It really is Awful. I just want the option returned to Kentuckians. Thank you.
