Dear Members of the Siting Board:

This letter concerns Case # 2024-00406 filed with the Kentucky PSC.

I am requesting a local public hearing before the Kentucky Siting Board to be held in Muhlenberg County before permission is granted for Lost City Renewables LLC to begin construction on a 250-megawatts solar farm in South Muhlenberg County approximately 0.4 miles east of Penrod and 1.25 miles northeast of Dunmor in Muhlenberg County. I am a property owner whose land will border this project. It will sabotage property values of the Penrod and Dunmor communities and will destroy the natural environment.
