Utility Name: Ledbetter Water and Sewer

State the nature of your concern: I have contacted Andrew @ Ky. Division of Water and was told to contact you. He has submitted the work order for checking the conditions of

our water. The citizens of Ledbetter have been subjected to subpar water conditions for years and yet our water/sewer bill continues to increase drastically. The rates we are being charged are over the top. We don't believe it's fair to pay high prices for undrinkable water. Any help in this matter will be appreciated. Thank you.

Have you contacted the utility about the problem: Yes
