Subject: KU rate hike....

Like a number of others, I too have a pretty fixed income. And while I understand that KU says they have not asked for a rate hike in several years, the near \$20 per month adjustment would consume pretty much the entire COLA that we on fixed income are expected to get. With everything, (insurance, health care, food, electric, etc.,) this often exceeds the small "raise" we get annually, as everyone seems to have the same intention to raise rates just a little bit.

We on fixed income need EVERYONE to consider trying to raise rates with the idea in mind that THEY are NOT the only ONES planning to do it.

I'm sorry, but my budget can only support about a \$7.00 increase, not 18.

Kenneth
