

9-19-2025

To: Kentucky Public Service Commission

Please vote NO on Kentucky Utilities request for a 15% increase. They are being paid a high rate. We are excessively being taxed and it needs to stop.

I am a veteran in a wheelchair, I have done my duty and it is time for the commission to do your duty and reject the KU's request for an increase.

As an individual, I realize I have no standing in the procedure of the commission.
