Subject: Proposed Rate Increase for LG&E customers

[REDACTED]

I'm dumbfounded at the % increases LG&E is proposing to take effect on / after July 1, 2025. This are way out of line, above inflation and there is absolutely no rationale provided at to this double digit increases. Senior citizens like myself (as well as many other customers) will have to make a choice if these rates take effect as proposed between putting food on the table for their families or providing heating and cooling for their families. These proposed rate increases are unreasonable and I object to them

Regards,

Jane
