Subject: Case No: 2025-00114

I just looked at my Louisville Gas and Electric Bill and almost had a heart attack. My gas and electric bill was \$516.75. I have never had an LG&E bill that was that expensive. I thought they had made a mistake, but they said that the Public Service Commission had granted them a huge increase in rates.

This is outrageous. How dare you spike our utilities? My income hasn't risen. Where is the extra money going to come from?

It's not like it was a little increase, either. My bill this time last year was \$390. This was a huge bump.

Your job is to protect the citizens who pay your salary—not to slavishly give our hard-earned dollars away to fat cat corporations.
