I am against this increase because Kentucky is one of the poorest states of the 50. It is 46 or 47??? Why do you as commissioners agree to these increases? Two of you are lawyers who make more money than most people.

I disagree on this and we do not want. I want a meeting here in Kenton County so everyone can attend to address this issue. I would like it in Northern KY in Kenton County so other people can talk about this issue too.

Thank you.
