I am against the rate increase for Kenton , Boone & Campbell counties. They have raised out rates too much now! Kentucky is rated one of the poorest states in the US !!! It is 46 it 47!! It is one of the poorest states, yet you three commissioners continue to raise the rates!!! Who are you to do this without the people of KY to vote on this????!! Two of you lawyers who make more money than the average family in KY! You wouldn't think twice on any price increase!!! The people of Ky (most do) live pay check to pay check!!! But you as lawyers you don't????!!!!

Get who are in the upper 10% of the 50 states!!! You are dealing with an average family who during this inflation need all the help they can get until President Trump can get everything to work to get it down!! Most families depend on churches & help centers to get by! Our government has no money to help the average American !! Churches are very busy helping everyone! So get off your high horse and do not raise the rates get a state that has a lot more income of the 50 states.?!!

Hope you commissioners use your noodle to make the right decision for the good of the commonwealth of KY!!!

Quit raising rates for the poor commonwealth of KY????!! We are against it! Go to other stat
