Subject: Comment on Case # 2025-00186

Dear Kentucky Public Service Commission,

I'm writing to oppose the expansion of nuclear energy in our state. Nuclear energy has a high environmental and human health cost. Kentuckians for decades have been subjected to the health risks of coal polluting our air and waterways. Renewable energy solutions will keep Kentuckians safe and will provide economic opportunities for our people. We do not want nuclear in our state.

Sincerely,
Mrs Madeline Hemmerle
