**Subject:** AEP Rate Increase

Good afternoon, I am writing to oppose the current rate increase proposed by AEP. KY residents already pay much higher rates than their neighboring states. At this time we already have to have grant funded programs to help customers pay their monthly bills in the winter and summer. We are seeing a much higher cost of living with no increase in pay. AEP grossed over 13 billion dollars in 2024, there is no justification for a rate increase simply to continue to pay CEO's massive salaries made off the backs of working citizens.
