Subject: Rate Increase

Good afternoon,

I am writing to share my opinion on the proposal to increase residential rates by 14.9%, this is unethical as so many in our region struggle to make it day by day, and I think increasing the rates will further cause more financial strain on our region and the great people of Kentucky. I strongly disagree with the rate increase and believe that the rates should stay the same or even decrease so that people can comfortably afford to pay their bills and live happily.

Thank you.

Madison Hall
