Subject: Case No. 2025-00257 Kentucky Power

I beg you to deny KY Power's latest rate increase. My bill went up in July because of the "Securitized Surcharge Rider" which is because they tore down the Big Sandy Power Plant. I have unplugged every device in my house that I don't use. I only use LED bulbs. My thermostat is set on 62 in the winter and 75 in the summer. Nothing helps! Nothing makes a difference! My bill just keeps going up. KY Power should be ashamed to ask for another rate increase. Please don't give them even a 1% increase! They need to start justifying these expenses and not just listing them and expect their customers to foot the bill.

Please examine their records and put a stop to their waste and mismanagement that we end up paying for.

Thank you,
Joetta Reed
