Comments:

Please do not allow a rate increase with KY power. They just turned record profits last year. The CEOs are getting richer at the expense of hardworking kentuckians. Its hard enough to make ends meet these days without having to fork over hundreds of dollars a month for electricity. We dont have a choice who we get service from so we rely on the commission to ensure we are getting a fair price. Do the right thing and dont increase the cost of living for Kentuckians.
