Subject: Case #2025-00257 Kentucky Power

[REDACTED]

I have lived in Kentucky for about 5 years now, and since I have lived here there have been multiple rate increases. I do not want there to be another increase because we just had one last year. We already pay one of the highest average power bills in the state. It is a struggle to afford basic necessities as it is. I know people who can't even pay their bills now. Please do not approve this rate increase.

Sincerely,
Savannah L. White-Porter
