Comments:

People can't pay the rates that ky power has now. This is ridiculous to even ask for another rate increase when consumers are struggling to pay now. It's either pay power bills or buy food. Elderly on fixed income can't pay their electric bills now. Please consider what our community has been through and how this will extract ppl on fixed income can't how would you like it if your parents on fixed income had to eat beans and taters all month because they had to pay ridiculous power rates and do without groceries.
