Comments:

We are informed about the new raise hikes that the company is asking for.
This is an outrageous proposal for this community!
Weve had two different hikes in a few years!
Charging us for climate agendas!
We didnt get any say in that decision!
We pay more in taxes than power!
Its outrageous abuse!
No more tax hikes for Kentucky!
I live in the second poorest county in the United States!!
All we want is clean power, no taxes and hikes!
Everything is down but your charging us more!
No more hikes!
We the people cant afford it!!
