To Whom this may concern:

PSC.

I recently became a widow in May 2025. I now draw Social Security. I have to watch my budget! I have heard a Rumor that Kentucky Power Co. want a increase! They got one last year. We can't afford this 14% increase.

KY Power, shows up at ball games in our community and gives thousands of dollars out! Why? So I don't think they deserve a

raise. Our area in Letcher Co. Ky is kinda short on jobs. We do have ARH, Walmart, Letcher Co School System. Please

re consider this and think about the little

people trying to keep up with
Cost of living. Say No to them!

My name is Gloria Rogers
