Subject: Case No. 2025-00257 – Kentucky Power Rate Increase

My name is Debbie Campbell. I live in Blackey, KY which is located in Letcher County. I am a resident of Letcher County, Kentucky and a Kentucky Power customer. I strongly oppose the 14.9% rate increase under Case No. 2025-00257. Many families already struggle to pay high utility bills. Another increase would cause serious financial hardship. Also, considering that AEP showed a 14.28 billion dollar profit at the end of June 2025, this request is not only abusive but unsustainable. Seniors and those on fixed income will be hit particularly hard by this increase. It's time to stand up to this continued corporate greed and reject this rate hike. The people need to be able to count on the Public Service Commission to have some backbone for once.

Sincerely,
Debbie Campbell
