To the Kentucky Public Service Commission:

I am writing regarding Case No. 2025-00257 and the proposed rate increase requested by Kentucky Power.

I respectfully ask the Commission to reject or significantly reduce this proposed increase. Eastern Kentucky families are already struggling with inflation, rising food prices, medical costs, and housing expenses. Many of us are seniors, disabled, or living on fixed incomes. An increase of this size would create real hardship for households who are simply trying to keep the lights and heat on.

Our region has faced economic decline for years. Raising electric rates by nearly 15% (or even the proposed reduced amount) places an unfair burden on communities that can least afford it. Electric service is not a luxury — it is a necessity. I ask the Commission to carefully consider the financial reality of Eastern Kentucky customers before approving

any increase.

Please protect ratepayers and ensure that any approved rates are fair, reasonable, and affordable.

Respectfully,

Ranie Neace
