Subject: Case #2025-00257

[REDACTED]

I am writing in regards to case #2025-00257. The people in Southeastern Kentucky can not afford another rate increase by Kentucky Power. My husband and I are on a fixed income. It has been challenging to pay our electric bill at times. It has been pretty high the last few months and we even use a gas fireplace to help heat our home. My mother lives alone, doesn't cook much or use a lot of lights and yet her bill was over \$300 in January. I know a lot of people who are struggling right now. Please do not add to their poverty. We have no other choice but to use Kentucky Power since they are the only power company in the area. Kentucky Power has made enough of a profit that they shouldn't even be asking for a rate increase. You were created to help the consumers, not the company. Please deny their request for a rate increase.

Thank you,
Ruth Eldridge
