Comments:

I am planning to attend the hearing/ meeting on April 28th in Frankfort. I am the daughter of Richard and Angela Mattingly, who reside at 6320 Loretto Road.

We are very concerned about the possibility that solar panels could impact the land at 6320 Loretto Road. We have many concerns, ranging from health concerns and water pollution to devaluing the land around the solar panels and impacting future agriculture.

We oppose Crab Run Solar installing solar panels near our family farm. We are also concerned about the impact it may have on the entire community.
