To The Sitting Board and Ms. Bridwell,

My name is Brian Mattingly, and I am writing this letter because I wish to become a party to the proceeding for the Crab Run Solar Project. I am requesting leave to intervene. I am the son of Richard and Angela Mattingly, who reside at 6320 Loretto Road and own land that will border the land proposed for the solar panel farm. I oppose the request of the Crab Run Solar project, LLC for a certificate of construction for an up to 45-megawatt merchant electric solar generating facility in Marion County, Kentucky.

Case number 2025-00276

I plan to attend and would like to speak at the April 28th hearing at 9:00 AM.
