Re: Case No. [2025-00276](#) – Crab Run Solar Project, LLC

Dear Members of the Siting Board:

My name is Bryan Thompson , and I respectfully submit this letter to request to become a party to the proceedings regarding the Crab Run Solar Project. I am requesting leave to intervene in this matter.

I am a property owner residing at 3290 Frogtown Road in Marion County, Kentucky. My property borders land that has been proposed for the development of the Crab Run Solar Project. As a neighboring landowner who may be directly affected by this proposed project, I have a direct interest in the outcome of this proceeding.

I respectfully oppose the request of Crab Run Solar Project, LLC for a Certificate of Construction for an up to 45-megawatt merchant electric solar generating facility in Marion County, Kentucky.

Because my property borders the proposed site, I believe my interests may be substantially affected by this project. Therefore, I request that the Siting Board grant me leave to intervene in Case No. [2025-00276](#) so that I may participate in the proceedings.

Thank you for your time and consideration.

Sincerely,

Bryan and Kim Thompson
