Received through Public Comments Friday, June 5, 2026

From: Ariana Hawkins
City: Munfordville
State: Ky
Zip: 42765

Comments:

Before Green River took over, we had terrible water quality and broken meter covers for years. Despite our repeated requests, we were told they would be fixed, and they sat for years -- freezing and bursting more than once. Once Green River took over, the meters were upgraded and covers replaced nearly immediately. They've been professional and responsive repeatedly. What an improvement!
