Case 2025-00330

I am a resident of Grayson County. We are very pleased with the GC Water. It was horrible having Edmonson County water. We were always on a boil advisory. When I say always it was always. It took a while to get Grayson Water, so please dont take it away. Edmonson County water is horrible and they dont have the capacity to handle us. That was the biggest problem. Please dont switch it back!
