Comments:

Upon reviewing the proposed rate increases by Bluegrass Water, I find them OUTRAGEOUS! Increases of almost 50% are no where near reasonable. As an individual on a fixed income, there is no way for me to absorb such outlandish increases. The cost of living for the nation is only about 2%. What justifies a 47% increase by this utility? Certainly it isn't to offset any improvement in service....there hasn't been! Foul odors continue to be a regular issue near the treatment plant. In addition I have personally observed sewage overflows in my area! I propose a full audit should be conducted on the company finances prior to even considering such outlandish increases!
