Comments:

- 1) I would like to object to the rate increase sent to me by Bluegrass Water Utility
- 2) The rate increase is a 46.6 percent increase from my current rate
- 3) There have been few improvements to justify such an increase
- 4) The salaries of the executives are quite exorbitant, placing the cost on our backs
- 5) Our particular sewage is pumped into a leased field on an adjacent farm. The 5 acres on that farm has a lease that expires in May of 2029, and we have no idea of what we are going to do after that date. Please reconsider

Therefore, I am strongly in opposition to such a large increase in our Water and Sewer Rates.
