July 28, 2026, New Concord, Ky. Bluegrass Water has 2 water wells here to provide us with water and we have no water. We pay an insane amount for water, and Bluegrass Water wants a rate increase? I hope you people think twice about giving them a rate increase.

It's 8:05 Saturday morning, we do not have WATER,
this is the second time this week this has happened.

I'm asking you to deny the rate increase Bluegrass water is asking for. I ask you again, please show me where they have spent millions on this water system, we are paying an insane amount now. Thank you.

Bluegrass Water rate increase Case# 2025-00354. I'm writing you to respectfully ask you to deny the water increase for Bluegrass Water, we are paying an insane amount now, \$77.63 a month. People on fixed incomes are having a hard enough time paying this now. I've called several cities around our area and discussed this with them and when I tell them what we are paying, the first thing out of their mouth is WOW. I called a woman in Frankfort, Ky. Monday that worked for the utilities there she told me her personal water bill for using 7000 gallons for last month was \$40.00. I ask you respectfully to please deny the Bluegrass Water rate increase, thank you. David Sparks, New Concord, Ky. [REDACTED].
