Comments:

I just want it to be known that absolutely nothing has been done to this wastewater treatment plant in Airview Estates and for YEARS now we can smell the sewer its bad and Bluegrass will do nothing about it. They claim to have sent someone out here but no. We can smell the sewer at the end of my driveway and its bad. People are trying to sell their homes in this neighborhood and CANNOT due to this sewer issue of the smell, but also the fact that its a private sewer with 100 payment a month- you might as well add 100 to your projected house payment but we cant even get that far because no buyers want any part of this mess.
