

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF GRAVES)	CASE NO.
COUNTY WATER DISTRICT FOR A RATE)	2025-00060
ADJUSTMENT PURSUANT TO 807 KAR 5:076)	

ORDER

On September 4, 2025, Graves County Water District (Graves District) filed a request for a 21-day extension to respond to the Commission Staff's Report (Staff Report) or, if no deviation is granted, for a hearing in this matter.¹ Graves District stated that it disagreed with certain findings and recommendations contained in the report, as well as the absence of any findings or recommendations regarding its requested extension of the ongoing water loss surcharge established in Case No. 2018-00429, its previous alternative rate filing (ARF) Case.² Graves District stated that the additional time to file its response would allow it to provide the Commission with a detailed, written explanation of the need for the requested surcharge extension and a description of the proposed uses of the extended surcharge.³ It further stated this would allow additional time to review the surcharge and possibly avoid the need for a hearing in the matter to prevent the associated expenditures.⁴ Graves District also stated that, if the deviation is not granted,

¹ Graves District's Motion for Deviation to Extend Time for Response (filed Sep. 4, 2025) (Motion).

² Motion at 2–3, citing to Case No. 2018-00429, *Application of Graves County Water District for an Alternative Rate Adjustment* (Ky. PSC Sep. 29, 2019).

³ Motion at 3.

⁴ Motion at 3.

Graves District objects to all findings and recommendations set forth in the Staff Report and requests a hearing on the rates pursuant to 807 KAR 5:076 Section 11(2).⁵

The Commission finds that the request is reasonable, and good cause exists to grant the requested extension pursuant to 807 KAR 5:076, Section 17.⁶

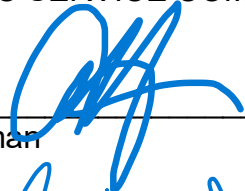

IT IS THEREFORE ORDERED that:

1. Graves District's request for a 21-day extension is granted for good cause.
2. Graves District shall file its response to the Staff Report no later than September 25, 2025.

⁵ Motion at 4.

⁶ Commission regulation 807 KAR 5:076, Section 17, states that for good cause shown, the commission may permit deviation from the rules set forth in 807 KAR 5:076.
