

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC PURCHASED GAS ADJUSTMENT	)	CASE NO.
FILING OF NAVITAS KY NG, LLC	)	2025-00084

ORDER

On March 31, 2025, Navitas KY NG, LLC (Navitas KY) filed a motion, pursuant to 807 KAR 5:001, Section 13, and KRS 61.878, requesting that the Commission grant confidential treatment for a period of five years for invoices that contain pricing and volume information from third-party natural gas suppliers. In support of its motion, Navitas KY argued that the public disclosure of this information would result in competitive harm by adversely impacting Navitas KY's ability to negotiate future gas supply contracts at favorable prices.

Having considered the motion and the material at issue, the Commission finds that the invoices containing pricing and volume information from third-party natural gas suppliers are generally recognized as confidential or proprietary and that public disclosure of the information could result in competitive harm to Navitas KY. The Commission further finds that the invoices therefore meet the criteria for confidential treatment and should be exempted from public disclosure pursuant to 807 KAR 5:001, Section 13, and KRS 61.878(1)(c)(1).

IT IS THEREFORE ORDERED that:

1. Navitas KY's March 31, 2025 motion for confidential treatment is granted.
2. The designated material granted confidential treatment by this Order shall not be placed in the public record or made available for public inspection for five years or until further order of this Commission.
3. Use of the designated material granted confidential treatment by this Order in any Commission proceeding shall comply with 807 KAR 5:001, Section 13(9).
4. If the designated material granted confidential treatment by this Order becomes publicly available or no longer qualifies for confidential treatment, Navitas KY shall inform the Commission and file with the Commission an unredacted copy of the designated material.
5. If a nonparty to this proceeding requests to inspect the material granted confidential treatment by this Order and the period during which the material has been granted confidential treatment has not expired, Navitas KY shall have 20 days from receipt of written notice of the request to demonstrate that the material still falls within the exclusions from disclosure requirements established in KRS 61.878. If Navitas KY is unable to make such demonstration, the requested material shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection.
6. The Commission shall not make the requested material available for inspection for 30 days from the date of service of an Order finding that the material no longer qualifies for confidential treatment in order to allow Navitas KY to seek a remedy afforded by law.

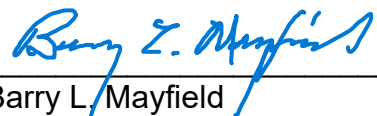

Entered on this 29th day of July, 2026.
