<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Barrelhead Solar shall make timely amendment to any prior response if Barrelhead Solar obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Barrelhead Solar fails or refuses to furnish all or part of the requested information, Barrelhead Solar shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Barrelhead Solar shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide any interconnection reports that involve this project that have yet to be submitted to the Siting Board.
2. Provide signed green cards or proof of service for all adjacent landowners that received notification that Barrelhead Solar intended to file an application to the Siting Board.

3. Provide the number of solar facilities that Birch Creek Energy Holdings, LLC or Birch Creek Development, LLC has constructed.

4. Provide the Virginia Tech Study and the Appraisal Study that was referenced by Richard Kirkland during his testimony at the February 17, 2026 hearing.

5. Explain whether approval from Environmental Protection Agency is required for construction of this project.

6. Describe Barrelhead Solar's initial contact with local residents regarding leasing property for this Project. Include the date(s) when lease agreement(s) were signed with the participating landowner(s) for this project.
