ORDER

On March 3, 2026, Barrelhead Solar, LLC (Barrelhead Solar) filed a motion requesting an extension of time to obtain the Archive USPS Tracking Plus Statements for the remaining certified mailing receipts to respond to Siting Board Staff's Post Hearing Request for Information, Items 1 and 2. The post hearing responses were due on March 3, 2026. Barrelhead Solar requested an extension through Friday, March 6, 2026, in order to obtain the requested records or, alternatively, provide the Siting Board with a status update of its efforts to obtain the outstanding requested records from the USPS.

On March 6, 2026, Barrelhead Solar filed a status update that disclosed the measures that it has taken to obtain the remaining certified mailing receipts from adjacent landowners. Although Barrelhead Solar has, so far, been unable to obtain tracking information relevant to most adjacent landowners, they were able to obtain tracking

information for one of the adjacent landowners and provided documentation with their March 6, 2026 motion.¹

The Siting Board finds that Barrelhead Solar's request for an extension of time should be granted until a final Order has been issued.

IT IS THEREFORE ORDERED that:

1. Barrelhead Solar's motion for extension of time should be granted.
2. Barrelhead Solar shall continue to provide updates to the Siting Board and make efforts to obtain tracking information from all other adjacent landowners.

¹ Barrelhead Solar's Motion for an Extension (filed on Mar. 3, 2026).
