ORDER

On May 20, 2026, the Kentucky State Board on Electric Generation and Transmission Siting (Siting Board) issued an Order that stated the Siting Board had accrued \$109,974.54 in case-related expenses, for a shortfall of \$55,974.15. Barrelhead Solar was ordered to remit the amount in full within 15 days of the Order.¹ On May 22, 2026, Barrelhead Solar, LLC (Barrelhead Solar) filed a motion requesting that it be permitted to submit the supplemental fees by July 1, 2026. Barrelhead Solar also requested clarification on the amount of the supplemental fee.²

The Siting Board finds that Barrelhead Solar's request for an extension of time should be granted. However, the Siting Board notes that, due to the fiscal year ending on June 30, 2026, the extension should only be until June 26, 2026. The Siting Board finds the motion for clarification is denied. It should be noted that Siting Board cases are

becoming more complex and being placed in more densely populated areas thus creating a need for substantial more time to adequately review the case by staff and consultants.

As such, the expenses incurred by the Siting Board may be more than in the past.

IT IS THEREFORE ORDERED that:

1. Barrelhead Solar's motion for extension of time to submit the supplemental fees is extended until June 26, 2026.

2. Barrelhead Solar's motion for clarification is denied.
