ORDER

On September 5, 2025, Kentucky Power Company (Kentucky Power) filed an application for approval to establish a regulatory asset for extraordinary storm costs. On September 22, 2025, Commission Staff issued its First Request for Information (Staff's First Request) with a response due date of September 30, 2025.

On September 23, 2025, Kentucky Power filed a motion for an extension of time to respond to Staff's First Request. In its motion, Kentucky Power requested one additional day to file its responses, citing traveling to its informal technical conference with Commission Staff on September 30, 2025, and aligning the due date with Staff's Request in Kentucky Power's other storm damage regulatory asset request in Case No. 2025-00264.¹ The request would make responses due on October 1, 2025.

¹ See Case No. 2025-00264, *Electronic Application of Kentucky Power Company for an Order Approving Accounting Practices to Establish a Regulatory Asset Related to the Extraordinary Expenses Incurred by Kentucky Power Company in Connection with the May 2025 Major Event Storms*.

The Commission finds that the request is reasonable, and good cause exists to grant the requested extension.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's request for a one day extension is granted for good cause.
2. Kentucky Power shall file its response to Staff's First Request no later than October 1, 2025.
