In the Matter of:

POWER COMPANY TO UPDATE ITS)	CASE NO.
PURCHASE POWER ADJUSTMENT AND)	2025-00307
DECOMMISSIONING RIDER RATES AND ITS)	
SECURITIZED SURCHARGE RIDER)	

ORDER

On August 15, 2025, Kentucky Power Company (Kentucky Power) filed tariffs, along with supporting documentation, to update its Purchase Power Adjustment tariff (Tariff P.P.A.) rates, Decommissioning Rider rates, and Securitized Surcharge Rider tariff. Kentucky Power proposed an effective date of September 29, 2025.

For the Tariff P.P.A. rates, Kentucky Power included recovery of the difference between the rates implemented, subject to change pursuant to KRS 278.190(2), and the rates ultimately were approved by the Commission in Case No. 2023-00318.¹ In that proceeding, the Commission directed Kentucky Power to address any unclaimed under-recovery in its August 2025 Tariff P.P.A. true-up filing.²

The Decommissioning Rider was temporarily suspended pending the securitization of the Decommissioning Rider regulatory asset balance at the time of securitization. Kentucky Power indicated that it continued to defer additional Big Sandy

Plant retirement costs that were not included within the amounts to be securitized.³ Kentucky Power stated that the update to the Decommissioning Rider rates includes those items to be collected through the Decommissioning Rider going forward.⁴

Kentucky Power proposed to update the Securitized Surcharge Rider to ensure that the Decommissioning Rider is excluded from charges to which the Securitized Surcharge Rider applies.⁵

KRS 278.030 provides that a utility may collect fair, just and reasonable rates and that the service it provides must be adequate, efficient and reasonable. Having reviewed the proposed tariffs and being otherwise sufficiently advised, the Commission finds that an investigation is necessary to determine the reasonableness of the proposed tariffs and that such investigation cannot be completed by September 29, 2025. Pursuant to KRS 278.190(2), the Commission will, therefore, suspend the effective date of the proposed tariffs for one day until September 30, 2025, to give the Commission time to investigate the proposed tariffs. If Kentucky Power chooses to place the tariffs into effect on or after that date, such rates shall be subject to refund, provided that Kentucky Power gives written notice to the Commission of its intent to do so and complies with all other applicable rules.

The Commission directs Kentucky Power to the Commission's July 22, 2021 Order in Case No. 2020-00085⁶ in which the Commission mandated the use of electronic filing

procedures listed in 807 KAR 5:001, Section 8. Consistent with the filing procedures set forth in Case No. 2020-00085, the Commission finds that electronic filing procedures should be used.

The Commission further finds that a procedural schedule should be established to review the reasonableness of the proposed tariffs. The procedural schedule is attached as an Appendix to this Order.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in person at a hearing.

IT IS THEREFORE ORDERED that:

1. This proceeding is established to investigate the reasonableness of the proposed Tariff P.P.A. rates, Decommissioning Rider rates, and Securitized Surcharge Tariff rates.
2. Kentucky Power's proposed tariffs are suspended for one day, until September 30, 2025.

March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

3. Kentucky Power's proposed tariffs may be placed in effect by Kentucky Power on and after September 30, 2025, pending the final Order in this matter and subject to refund, provided Kentucky Power provides written notice to the Commission of its intention to do so as required by KRS 278.190(2).

4. If Kentucky Power elects to place the proposed rates into effect subject to refund, following notice to the Commission thereof, Kentucky Power shall, within 20 days of the date of service of this Order, file its revised tariffs reflecting the revised effective date and that the rates are subject to refund.

5. Kentucky Power shall, by counsel, enter an appearance in this proceeding within seven days of the date of service of this Order. The entry of appearance shall include the name, address, telephone number, fax number, and electronic mail address of counsel.

6. Unless otherwise ordered by the Commission, the procedures set forth in 807 KAR 5:001, Section 8, related to service and electronic filing of papers shall be followed in this proceeding.

7. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of the date of service of this Order, Kentucky Power shall file by electronic means a written statement that it waives any right to service of Commission Orders by United States mail and that it or its authorized agent possesses the facilities to receive electronic submissions.

8. Unless a party granted leave to intervene states its objection to the use of electronic filing procedures in a motion for intervention, the party shall:

a. Be deemed to have consented to the use of electronic filing procedures and the service of all papers, including Orders of the Commission, by electronic means; and

b. Within seven days of the date of service of an order of the Commission granting intervention, file with the Commission a written statement that:

(1) It or its authorized agent possesses the facilities to receive electronic transmissions; and

(2) Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding shall be served.

9. If a party objects to the use of electronic filing procedures and the Commission determines that good cause exists to excuse that party from the use of electronic filing procedures, service of documents on that party and by that party shall be made in accordance with 807 KAR 5:001, Section 4(8).

10. The procedural schedule set forth in the Appendix to this Order shall be followed.

11. Kentucky Power shall respond to all requests for information propounded by Commission Staff, whether identified on the procedural schedule or otherwise, as provided in those requests.

12. As set forth in 807 KAR 5:001, Section 4(11), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding, which is not adequately represented in the case, or (2) that intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the

proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding the potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

13. Any motion to intervene after the date established in the procedural schedule shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

14. Kentucky Power shall give notice of the hearing in accordance with the provisions set forth in 807 KAR 5:001, Section 9(2). In addition, the notice of the hearing shall include the following statements: "This hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov" and "Public comments may be made at the beginning of the hearing. Those wishing to make oral public comments may do so by following the instructions listed on the PSC website, psc.ky.gov." At the time publication is requested, Kentucky Power shall forward a duplicate of the notice and request to the Commission.

15. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

16. Any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing

shall be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing.

17. Witnesses who sponsor schedules, testimony, or responses to requests for information shall participate in person at any hearing scheduled in this matter.

18. Pursuant to KRS 278.360 and 807 KAR 5:001, Section 9(9), a digital video recording shall be made of the hearing.

19. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

20. The Commission does not look favorably upon motions to substitute witnesses or excuse witnesses from testifying at Commission hearings. Accordingly, motions to substitute witnesses or excuse a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing at least 14 days prior to the hearing and will be granted only upon a showing of good cause.
