NECESSITY TO BID ON A GAS DISTRIBUTION	)	2025-00322
FRANCHISE IN THE CORPORATION LIMITS OF	)	
THE CITY OF BELLEFONTE, KENTUCKY	)	

ORDER

On October 8, 2025, Columbia Gas of Kentucky, Inc. (Columbia Gas) filed its application with the Commission seeking a Certificate of Public Convenience and Necessity (CPCN) to authorize it to bid on a franchise offered by the city of Bellefonte, Kentucky, for the transmission and distribution of natural gas. Columbia Gas provided a copy of Ordinance No. 6-2025, which authorized granting a franchise for the sale and distribution of natural gas within the city of Bellefonte boundary.¹ Ordinance No. 6-2025 was approved on August 25, 2025, and public notice of the sale of franchise was published on September 4, 2025.²

Sections 163 and 164 of the Kentucky Constitution and KRS Chapter 96 authorize municipal corporations to require public utilities, including non-governmental providers of electricity within the municipal corporations' boundaries, to operate under franchise agreements and to grant utilities the right to use public right-of-way on reasonable and

¹ Application, Attachment A.

² Application, Attachment B.

necessary conditions. Under the provisions of KRS 278.020(5), no utility may apply for a franchise from any governmental agency until it has obtained a CPCN from this Commission based on our finding that there is a need and demand for the service sought to be rendered.

In light of the city of Bellefonte's ordinance creating a natural gas transmission and distribution franchise, the Commission determines that there is evidence of a need and demand for natural gas service in the above-mentioned city. Although evidence of record indicates that bidding on the franchise in question was extended by email,³ since the Commission's authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the qualifications of the bidder, the validity of any of the provisions of the franchises offered by said city, or the manner in which any franchise fee is to be treated for rate purposes.

The Commission directs Columbia Gas to the Commission's July 22, 2021 Order in Case No. 2020-00085⁴ regarding filings with the Commission.

IT IS THEREFORE ORDERED that:

1. Columbia Gas is granted a CPCN that authorizes it to bid on a franchise offered by the city of Bellefonte, Kentucky, for the transmission and distribution of natural gas.

³ Application, Attachment C.

⁴ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

2. If Columbia Gas is not the successful bidder, Columbia Gas shall file with the Commission, within ten days of the award of the franchise at issue, a written notice stating that Columbia Gas was not the successful bidder.

3. If Columbia Gas is the successful bidder, Columbia Gas shall file with the Commission, within ten days of the award of the franchise at issue, a copy of the executed franchise agreement and a statement disclosing the amount of the initial franchise fee.

4. If Columbia Gas is the successful bidder, Columbia Gas shall file with the Commission, within ten days of an increase or decrease in the amount of the initial franchise fee set forth in the franchise agreement, documentation setting forth the revised fee.

5. Any documents filed pursuant to ordering paragraphs 2, 3, or 4 of this Order shall reference the number of this case and shall be electronically submitted via the Commission's electronic Tariff Filing System.

6. This Order shall not be construed as granting a CPCN to construct utility facilities in said city.

7. This case is closed and removed from the Commission's docket.
