

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF MOUNTAIN)	CASE NO.
WATER DISTRICT FOR AN ADJUSTMENT OF)	2025-00327
WATER RATES)	

ORDER

On March 2, 2026, Mountain Water District (Mountain District) filed a motion to submit this matter for a decision without a hearing and waived its right to a hearing.¹ Mountain District stated that there were no intervenors in this proceeding; that it has responded to three requests for information; that the existing record is adequate for the Commission to evaluate and render a decision on the application; that dispensing with a hearing in this matter will result in significant savings in time and resources for Mountain District and the Commission; and that it waives its right to a formal hearing in this matter.² Mountain District's motion requested that the record in this proceeding be closed and this matter be considered submitted for decision based upon the existing case record, except to permit the submission of a final report on rate case expenses no later than March 31, 2026.³

Having considered the motion, the Commission finds that Mountain District's motion to submit this matter for a decision without a hearing should be granted in part.

¹ Mountain District's Waiver of Right to Hearing and Motion to Submit Matter for a Decision Without a Hearing (Motion) (filed Mar. 2, 2026).

² Motion at 1–2.

³ Motion at 2.

The Commission finds that any further information necessary for the Commission to issue its decision can be obtained through further requests for information or an informal conference, and a decision on the record should be granted in order to conserve the time and resources of the parties, counsel, and the Commission. However, the Commission finds that Mountain District's request to close the record in this case as of March 31, 2026, should be denied. The Commission finds that the record should remain open until further Order by the Commission, in order for Commission Staff to issue any further necessary requests for information, as well as the submission of Mountain District's supplemental rate case expense report.

IT IS THEREFORE ORDERED that:

1. Mountain District's request to submit this matter without a hearing is granted.
2. Mountain District's request to close the record as of March 31, 2026, is denied.
3. Mountain District shall respond to any further requests for information from Commission Staff or participate in any scheduled informal conference, if required.
